## **BOOK SYNOPSIS**

From the Back Cover: Basics of Public Health Core Competencies is a reader-friendly review of the five core competencies outlined by the Association of Schools of Public Health. One chapter is devoted to each of the disciplines of epidemiology, biostatistics, behavioral and social sciences, environmental health, and health policy and management sciences, along with vignettes that illustrate the application of concepts. Using a clear outline format, this text is ideal for courses that offer a basic introduction to the field of public health, or for courses that prepare MPH students for the new Certification in Public Health exam. Learn more about each competency with the Essential Public Health series. See [www.jbpub.com/essentialpublichealth](http://www.jbpub.com/essentialpublichealth) for the latest information on the series.
