---

## BOOK DETAILS

- Author : Susan Young
- Pages : 220 Pages
- Publisher : Pelagic Publishing
- Language : English
- ISBN : 1784270962

## **BOOK SYNOPSIS**

CCTV for Wildlife Monitoring is a handbook on the use of CCTV in nature watching, conservation and ecological research. CCTV offers a unique ability to monitor wildlife in real time, stream video to the web, capture imagery of fast-moving species or cold animals such as wet otters or fish and maintain monitoring over long periods of time in a diverse array of habitats. Wildlife watchers can take advantage of a huge range of CCTV cameras, recording devices and accessories developed for use in non-wildlife applications. CCTV allows intimate study of animal behaviour not possible with other technologies. With expert experience in engineering, photography and wildlife, Susan Young describes CCTV equipment and techniques, giving readers the confidence to tackle what initially may seem technically challenging. The book enables the reader to navigate the technical aspects of recording: basic analogue, high definition HD-TVI and IP cameras, portable CCTV, digital video recorders (DVR) and video processing by focusing on practical applications. No prior knowledge of CCTV is required - step-by-step information is provided to get anyone started recording wildlife. In-depth methods for recording foxes, badger, deer, otters, small mammals and fish are also included, and the book makes comparisons with trail cameras where appropriate. Examples of recorded footage illustrate the book along with detailed diagrams on camera set-ups and links to accompanying videos on YouTube. Case-studies show real projects, both the equipment used and the results. This book will be of interest to amateur naturalists wishing to have a window into the private world of wildlife, ecological consultants monitoring protected species and research scientists studying animal behaviour.

**CCTV FOR WILDLIFE MONITORING AN INTRODUCTION DATA IN THE WILD** - Are you looking for Ebook CCTV For Wildlife Monitoring An Introduction Data In The Wild ? You will be glad to know that right now CCTV For Wildlife Monitoring An Introduction Data In The Wild is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product. Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. CCTV For Wildlife Monitoring An Introduction Data In The Wild may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with CCTV For Wildlife Monitoring An Introduction Data In The Wild and many other ebooks. We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with CCTV For Wildlife Monitoring An Introduction Data In The Wild . To get started finding CCTV For Wildlife Monitoring An Introduction Data In The Wild , you are right to find our website which has a comprehensive collection of manuals listed.
